Chili Cheese Seasoning Blend

Version #3

September 10, 2021

DESCRIPTION: A rich and smoky dry blend to use as a seasoning on nuts to impart a chili cheese flavor. Chili Cheese Seasoning is a speckled tan and orange free-flowing product with a distinct meaty and tomato flavor and cheesy aroma. It shall be manufactured under modern sanitary conditions in accordance with best commercial practices. All deliveries shall comply in every respect with the Federal Food, Drug and Cosmetic Act and regulations promulgated there under.

INGREDIENTS: SALT, MALTODEXTRIN, SUGAR, SPICES, GARLIC POWDER*, ONION POWDER*, TOMATO POWDER*, PAPRIKA*, NATURAL CHEESE FLAVORS, NATURAL SMOKE FLAVOR.

Allergen: Milk

*Dehydrated

PROCESSING & PACKAGING:

1. Product and processing conditions are maintained according to all federal regulations within the meaning of the U.S. Federal Food, Drug and Cosmetic Act of 1938, and amendments, there to including Good Manufacturing Practices, 21 CFR Part 110.
2. All ingredients used are approved as food additives by the FDA and are listed as being Generally Recognized as Safe on a reliable, published industry association list. All incoming ingredients are conformed to raw product specification to ensure compliance.
3. The raw ingredients with lot numbers are released for the batching according to formula. The product is thoroughly blended per product procedure. The raw, in process and finished product is tested and packaged according to approved finished product specification.
4. The beginning, middle and end sample of each batch is tested comparing with the control sample and specification. The sample is tested for physical, chemical, microbiological and sensory criteria depending on the specification requirement.
5. A sample of the finished product is retained for a minimum of twelve (12) months and all paperwork is kept on file for two (2) years.
